On September 23, 2005, an RFAI was sent to the Committee referencing the 2004 Amended 30 Day Post-General Report, received August 18, 2005. The RFAI, among other matters, asked for clarification regarding the \$131,998.24¹ in additional disbursements that were not disclosed on the Committee's original 2004 30 Day Post-General Report (Image 25038900548).

On October 3, 2005, Annjeanette Vealey, the Certified Public Accountant for the Committee, called the Reports Analysis Division ("RAD") analyst to explain why certain receipts and disbursements had not been previously reported. Ms. Vealey stated that, in the confusion of the elections in 2004, contributions were received and disbursements were made but the Committee did not report them until later. She explained that the Committee did not know exactly where the money was going until later and wanted to file their reports on time, so reports were filed without all the pertinent information. Ms. Vealey further stated that once the information was gathered, the Committee disclosed the applicable information on the Amended

¹ The Committee's original 2004 30 Day Post-General Report disclosed \$140,164.62 on Line 21(b) (Federal Operating Expenditures). The Amended 30 Day Post -General Report filed on August 18, 2005 disclosed \$130,994.29 on Line 21(b), thereby reducing the overall increase in disbursements for the amended report to \$131,998.24 (see attachment 2).

12 Day Pre-General and 30 Day Post-General Reports. The Analyst informed Ms. Vealey that the significant increase in activity was an OGC referable issue and that it was improbable that the Committee could resolve the issue. The Analyst advised Ms. Vealey that the situation would be researched further and she would receive a call back with a definite answer (Attachment 3).

On October 4, 2005, the RAD analyst called and left a message for Ms. Vealey informing her that the Committee could not resolve the issue at their level in order to prevent the matter from being referred to OGC. The Analyst mentioned that Ms. Vealey could send a miscellaneous electronic submission explaining the situation for the Public Record. Ms. Vealey called the Analyst back later that day to report that she had received the message (Attachment 3).

On October 12, 2005, Ms. Vealey called the RAD analyst to discuss the calculation of the figures regarding the increase in activity and to again express her concern about the matter being referred to OGC. The Analyst explained the process for calculating the mathematical figures for the increase in activity and stated that she would hear from the OGC directly. Ms. Vealey stated that part of the increase in disbursements may have been attributed to a refund to the Democratic National Committee and that her Chairman might write a letter explaining the situation. The Analyst agreed that this was a good idea and advised her to submit the information in an electronic format (Attachment 3).

To date, no further communication has been received from the Committee regarding this matter.
